

# SOLARTECH POWER, INC. IS COMMITTED TO EXCELLENT SERVICE

SolarTech Power delivers nationwide, a complete line of products for the solar power industry.

Authorized distributors for SUNTECH Solar Panels, SOLECTRIA Inverters, MK Batteries, TWO SEAS Mounting Racks, MULTI-CONTACT Connectors, and PHOCOS Controllers.

## Solar Panels

SolarTech Power is committed to become the "lowest cost per watt" provider of PV solutions to contractors, installers, and resellers worldwide.

## Connectors

The components of the MC-Plug connector system for photovoltaics are designed to permit time-saving, dependable series and parallel cabling of solar modules.

### Solar Panels

4W	5W
6W	8W
9W	10W
12W	20W
38W	40W
58W	65W
80W	85W
110W	120W
& more.	

## Racks and Mountings

SolarTech Power delivers a complete line of products for the solar power industry including: solar panel mounting systems, racks, and other specialty products.

## Photovoltaic Inverters

The off-the-shelf products including Sunny Boy, Sunny Mini Central, Sunny Tower and Sunny Central cover systems cost effectively from 12-500kW.

## Controllers and Chargers

The SPS series Solar Regulation System is an advanced electronic control unit for solar power supplies in remote locations.

## Batteries

The highest quality batteries from MK Battery power the world of solar industry. The sealed gel batteries are fast recharge, compact, high capacity, and designed for heavy demand applications.
